47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Our household wants more competition with DSL providers

Our local company Sonic is doing a great job, friendly fast service from people in our county. A great service and a great employer . We need diverse options not monopolies !

We need competition to keep out price hikes , this local provider kept service going through the recent fire emergency - they get it because they're local not an anonymous corporation
